

COME AND
SEE THE ADM
TEAM AT LAND
FORCES 2021

LAND FORCES 2021

With the Land Forces 2021 conference to be held in Brisbane between June 1-3, *ADM* will be looking at all things Army in our June edition.

From weapons and soldier systems to vehicles of all kinds, *ADM* will be delving into how Army is delivering on its strategies and capabilities under Army in Motion and Accelerated Warfare concepts. Army is on its way to becoming a 5th gen force.

Army is looking to engage more widely with industry and is now implementing a more sovereign approach with its partners in CASG and other procurement agencies.
