

**COME AND SEE THE ADM TEAM AT LAND FORCES 2021**

**LAND FORCES 2021 INCLUDES CIVSEC 2021 CONFERENCE**

## LAND FORCES 2021

With the Land Forces 2021 conference to be held in Brisbane between June 1-3, *ADM* will be looking at all things Army in our June edition.

From weapons and soldier systems to vehicles of all kinds, *ADM* will be delving into how Army is delivering on its strategies and capabilities under Army in Motion and Accelerated Warfare concepts. Army is on its way to becoming a 5th gen force.

Army is looking to engage more widely with industry and is now implementing a more sovereign approach with its partners in CASG and other procurement agencies.

### HOT TOPICS

- Weapons
- Solider Systems
- Unmanned platforms with AI
- Land 400
- Tank upgrades
- Land 8116 and artillery
- Army Aviation
